MEMORANDUM FOR: Deputy Director for Intelligence
Deputy Director for Operations

FROM: Deputy Director of Central Intelligence

SUBJECT: Terrorism

You may recall that close to two years ago when I became Executive Director, I asked that the DDI and DDO terrorist activities be co-located. You folks have successfully found ways not to cause that to happen. With the recognition that terrorism is here to stay and bound to grow, maybe we ought to implement that bright idea which hasn't been dimmed by time but grows brighter.
